

GO & GROW™ The Edible Collection® Kits

ORDERS MADE EASY

Easy to Sell and Easy to Grow

Popular, Top Selling Varieties that Consumers Look For

NEW THIS YEAR:

The Edible Collection® Kit is now divided into two kit orders that are delivered in separate shipments giving you a head start on slower growing varieties and later adding faster growing herbs to ensure that the entire collection is retail ready at the same time.

- Order both kits to get the complete collection, but stagger your delivery dates by 2 weeks to ensure that all material finishes at the same time.
- Pre-selected mix of the most popular, top-selling varieties that consumers are looking for
- Each kit includes eight 128 liner trays, 2 cases of coir biodegradable containers with our exclusive Edible Collection® collar-wrap, and 10-count deco-green trays for growing and retail sales
- Complete set of unique Snap-Tags featuring recipe on the back and a snap-off stake tag for the garden
- Free point-of-purchase display material including 18"x18" corrugated sign, 7"x11" bench card, and 100' roll of bench tape
- Send in your 1-Stop Order Form, specify preferred delivery dates and we do the rest!
