

GO & GROW™ Patio Pot Kits

ORDERS MADE EASY

Takes the Hassle and Guess Work Out of Ordering and Growing Combos

- Eight of our top-selling combinations now include a thriller plant to make it easy to plant out patio pots and large containers with the right mix of colors, height, and dimension
- Each Kit features a variety from our Proven Winners® Graceful Grasses® Collection that best complements the combination
- All Kit material has been successfully grown in production at Pleasant View to assure grower success
- Each Kit includes enough plant material to yield 32 patio pots in the standard size of 12-14"
- Plants come with a full complement of stake tags
- Growing instructions and Plan-O-Gram included
- Each Kit fills one single box
- Send in Your 1-Stop Order Form—
We do the rest!
