

SAVVY SUCCULENTS® LINERS

MIXED & MINGLED™ ASSORTED TRAYS

Succulents are popular, high-demand plants for gardeners in every part of the country. For planting out in smaller quantities or combination bowls, we provide a Mixed & Mingled™ assortment that comes in the same perfectly toned liners with an assortment of planting options.

- Sold as an assorted collection consisting of two 50-count trays and two 84-count trays
- Pre-selected mix of sure-sellers
- Numerous varieties for more flexible combination options
- Same great quality as single-genera trays
- Durable Waterwise trays reduce labor and increase profit
- Also available as a kit with 32-count trays and bowls for easy planting and fast sell through (see page 53 for more details)
